## PRESIDENT'S MESSAGE by Joe Filice

Well, here we are approaching the beginning of the 2012 fishing season. As I write this it is February and cabin fever is beginning to set in. The water temp is up to 44 degrees already and I'm hoping for an early start to the striper fishing in the surf. I am looking forward to a great year for the Village Harbour Fishing Club and look forward to seeing everyone at the April Meeting. Thanks to Vince Sibona, John Kleban and John Rendzia for the great job at the Fishing Flea Market in February. Over 100 chances were filled out for a free membership and a new member was signed up. The drawing for the free membership will be at the April Meeting and I hope to see a great turnout. Our speaker will be Capt. Brett Taylor on Striper Fishing and this promises to be an informative session.

Those of you who are regulars at the monthly meetings know how good our speakers have been and the benefits of sharing with our fellow members on fishing experiences and techniques. I encourage those of you who have not been to a meeting in a while to come out and enjoy the camaraderie and exchange of information, as well as the speakers and refreshments. Our club library is growing and Bill

Dabney has updated many of the books and DVD's available. Please take advantage of this great resource and take them home for a month.

We will be holding an in club Fluke Tournament this year with cash prizes. John Kleban will be the tournament chair and full details will be available later in the spring. This is a great opportunity for some friendly competition and a chance to win some cash.

As in past years, the club will be supporting efforts to protect our rights as recreational fishermen and will continue to monitor legislation that affects our rights and the fishery.

The club website is, [www.VHFCclub.com](http://www.VHFCclub.com), It looks great and has loads of information, along with club pictures, fishing reports, and Club info. You will also find the 2012 Membership Form on the site. Please take the time to visit the site and catch up on what's happening.

The club is what you make it and your participation is necessary to our success. I look forward to working with the Board and membership to make this a memorable year. Until we meet again I wish everyone tight lines and good health.

**2012 TROPHY FISH OF THE YEAR PROGRAM** by John Kleban

The same seven species will continue for our 2012 Trophy Fish of the Year Program.

Blackfish
Bluefish
Fluke
Sea Bass
Striped Bass
Weakfish
Winter Flounder

The rules are simple: you have to catch a fish of the above species, take it to one of our official weigh stations to have it weighed and recorded on our official weigh-in forms. If you have weighed in the largest fish of a particular species for the calendar year 2012, then you win the FOY trophy for that species. Note: your dues have to be paid before you catch an eligible fish.

**2012 FISH OF THE MONTH AWARDS** by John Kleban

The award for Striped Bass & Bluefish will be announced at the April General Membership meeting.

**2012 FISH OF THE MONTH AND FISH OF THE YEAR AWARDS** by John Kleban

Due to changes in New Jersey Fishing Regs, there are changes in the 2012 Trophy Fish of the Month Program:

March & April	Winter Flounder
May	Striped Bass
June	Fluke
July	Bluefish
August	Fluke
September	Sea Bass & Weakfish
October/November	Striped Bass & Bluefish

Fish of the Year & Month standings are recapped and updated on our website frequently. Click on the site to get current standings.

**2012 SUMMER FLOUNDER AND BLACK SEA BASS REGULATIONS**

After reviewing input from the public on March 1, 2012 at the NJ Marine Fisheries Council meeting, the Council has voted on new regulations for both summer flounder and black sea bass.

In a vote of five for and three against for Option 5, the 2012 summer flounder season will run from May 5th through September 28th, with a five (5) fish bag limit, a minimum size of 17.5 inches and be open for a total of 147 days. This is five more days than 2011.

The NJ Council voted unanimously for Option B for the 2012 black sea bass season which will be open from May 19th through October 14th and November 1st through December 31st with a twenty five (25) fish bag limit, a minimum size of 12.5" and is open for a total of 210 days. The option for a winter fishery in 2013 with a reduced bag limit of fifteen (15) fish was removed from the main motion so that it would not cause ASMFC to reject the NJ Councils proposed size, season and back limit for black sea bass for 2012. The Council will address the 2013 winter fishery at an upcoming meeting.

Thank you,  
Joseph Puntasecca

Jersey Coast Anglers Association

**ABOUT JERSEY COAST ANGLERS ASSOCIATION**

The Jersey Coast Anglers Association is a non-profit organization formed in 1981. The original objective of the JCAA was to combine a loosely fragmented group of marine sportfishing clubs in order to form and promote a united consensus on issues relevant to saltwater anglers in New Jersey. Over the years, the mission of the JCAA has remained unchanged, but now has the added goal of joining forces with organizations having similar objectives in states along the East Coast and national organizations. While the JCAA is relatively young, it has emerged as the most effective organization of its kind on the East Coast. For more information, or for information about becoming a member of the JCAA, please call (732) 506-6565 or visit [www.JCAA.org](http://www.JCAA.org).

## WINTER FLOUNDER FISHING REPORT FOR MARCH 23 by Vince Sibona

John Kleban and I went out on the SEA BONA on the first day of the season for winter flounder. We went to one of my favorite spots, about 3/4 of a mile south of Double Creek Channel. We anchored up and started fishing about 8:15, putting out a chum pot and using blood worms for bait. Within a few minutes John had a keeper in the boat. We caught 5 fish in one hour fifteen minutes, averaging one fish every 15 minutes with an incoming tide. The fishing slowed down a little for a while until the tide started to change, then we started catching flounder again. We stopped fishing at 11:30 when we ran out of worms. We had a total of 9 flounder, 8 keeper size up to 16 inches and one short. John had the largest at 16 inches, 1.88 lbs. My largest was 15 inches, 1.52 lbs. 2 photos of the 4 fish we kept to take home. We thought it was a very good day considering the winter flounder fishing over the past few years. The weather could not have been any better. A bright sunny day. Air temp upper 60s. Water temp 58 degrees. Hopefully this is the start of a good fishing season for everyone

### FISHING REPORT by Bill Logan

Attached is a photo of one of my fishing buddies Chris Kistler holding a King Mackerel, besides the King we also caught 2 Cero Mackerel, 2 Porgies, 1 Hog Fish & 14 Yellowtail Snappers. We were at a place called the East Patches in 35 feet of water about 4 miles out in the Atlantic off of Bahia Honda, only had to move once to find the fish, first location did not give us any, I only moved about 500 yards, dropped anchor again put out the chum waited about 10 minutes for the chum and cracked corn and rolled oats to work and we got into them. As soon as the 3rd block of chum ran out it was all over and time to come in.

I would like to make note that when you say fishing in the Florida Keys everyone thinks of Sailfish, Mahi Mahi, and other large fish, yes, we could do that type of fishing but the cost of doing that would prohibit us from being able to go out almost every day, that is why the smaller fish such as Hog Fish, Mangroves, Yellowtails, Muttons & Lane snappers, Porgies, Grunts and a lot of others, which make it a lot of fun to fish in the Florida Keys. We fish for fun down here not records.

Chris Kistler Holding a Nice King!

### FISHING REPORT by Bill Logan

Attached photo is Jimmy McKee of Sunshine Key R.V. Resort holding a 30 lb. + King Mackerel he caught Sunday the 29th of January off of Bahia Honda State Park in the Florida Keys. Otherwise fishing has been good each trip out & we have limited out on Mangroves at the Bridges or Yellowtail Snappers in the Atlantic.

A Very Nice King Mackerel!

**SRHS FISHING FLEA MARKET REPORT AND PHOTOS** by Vince Sibona

John Kleban, John Rendzia and I had a very successful day Saturday, February 18, at the SRHS Fishing Flea Market. We had 103 raffle tickets filled out for the free one year membership drawing. The drawing will take place at the April General Membership Meeting and the person must be present to win. Hopefully we get a good turnout for the drawing and some of the non-winners will join our club at the meeting or soon after.

Thank you John Kleban for making the beautiful display poster that drew a lot of attention and got many people to come to our table. There were more people at the flea market this year and they were friendlier than last year. They were very inquisitive and asked many questions about our VHFC.

John Rendzia, our new Speaker Rep., not only helped with the raffle tickets, but solicited possible future speakers for our meetings.

We had some VHFC Members stop by at our table to say hello and chat for a while.

**FISHING REPORT FOR THE KEYS** by Bill Logan

I had to put this one back.

My son (Bill) and Grandson (Bill) flew in to Key West on Sunday, February 12<sup>th</sup> to stay until Friday for 4 days of fishing. Monday it was blowing too hard but that worked out good as they had purchased

a 3 day fishing license. So we fished Tuesday, Wednesday and Thursday. Believe it or not Wednesday we had over 50 fish and not one keeper. I must have moved 6 times trying to find fish, BUT, we made up for it Thursday, we caught so many we ran out of bait, stayed in the one spot at the Seven Mile Bridge, 3 good size Yellowtail Snappers, 11 nice size Mangroves snappers, 9- Big Yellowtail Jacks, and boy are they fun to catch, plus 5 Porgies and 5 Grunts, plus all the shorts we had to release, they went home very happy.

PS Bill (my son) purchased green Tee shirts for all of us to wear while out fishing, Arleen washed them every night so we would have them to wear every day and we became the *3 Mean Green Machine Fishing Team*. Ha.

**LONG TIME MEMBER GEORGE FRUH PASSES AWAY** by Dick Vesper

George Fruh, one of the first members of VHFC and our long-time Weighmaster until he moved, died on January 15<sup>th</sup> after a bout with pneumonia. George & his wife, Flo, moved to Florida a few years ago. Both Ray Williams & I spoke to him over Christmas & he was doing well. Ray & his wife had planned to visit with George & Flo in late January at George's home in West Palm Beach. We will miss him very much. He was a gentleman, a great fisherman, & could repair or build anything.

Our Friend George!
