### **PRESIDENT'S MESSAGE** by Bill Logan

Summer is upon us; this 90 degree + weather has been keeping some fisherman at the dock. I can tell by the early morning boat traffic going by the house. It has not been as heavy as usual, also some guys are not staying out as long as they usually would, due to the boiling hot sun. This is one of the hottest summers I can remember, "WHY" It's so hot that the crabs you catch are already cooked. HA. Also this time of year you have to watch the weather, scan the horizon every now and then, and listen to your VHF radio, as those pop up storms will catch you by surprise.

The fluke season is in full swing; there's been some nice size fluke weighed in at our sponsors, but the keeper ratio is still away off compared to the amount of fluke being caught. Hot spots are reported in and around both inlets, but don't discount the Middle Grounds as yours truly fished there and came up with a nice 21 inch fluke. Let us know how you're doing with fishing by posting a note on our web page or send John Kleban an e-mail and he will post it on the web page.

New Rod Raffle: Manny Silva has done it again and donated another custom made rod to the VHFC. It is a 7' Graphite Blank Spinning rod very light weight and sensitive. Tickets are \$5.00 and can be purchased at our August and September general membership meeting; drawing will take place at our September Meeting. You do not have to be present to win, so don't miss out on a chance to own this rod. A portion of the proceeds will be donated to the RFA to help in its effort to preserve our fishing rights.

T-Shirts: Vince has a short supply of club T-Shirts so get yours now, all sizes available and in different colors, here's another chance to show your support of YOUR club.

"Dinner Dance" The 2010 VHFC annual Dinner Dance is quickly approaching. The event this year is scheduled for Saturday Aug 21st at the Ocean Acres Country Club. Cost is \$33.95 per person. Check out the fantastic menu and details in the enclosed sign-up sheet. Dance to the 50s and 60s music of "D.J." Jim Brown. Good Music, Good Food, Good Friends and all at a Good Price. What more could you ask for? You can place your reservation at this month's meeting or mail to Ed Wetmore. (See reservation form for his address) Please direct any questions or ticket orders to Ed Wetmore. A good time is always had by all. Please get your registration in as early as possible as Ocean Acres C.C needs to have a count from us. Remember no reservations will be accepted after August 14th. Dress is casual so come and enjoy yourself.

Hope you didn't miss our last meeting; our speaker was Jim Hutchinson, Sr. who showed us how to prepare and cook a Fish & Vegetable Soup and also a Fish with Shrimp Sauce. There were plenty of

samples to go around. Jim's presentation was well prepared and enjoyed by all. Jim is a local resident, being raised right here in Manahawkin. He is a great fisherman with a good knowledge of our local waters; he also teaches a cooking class at Southern Ocean Count H.S. and writes fishing articles for several local papers. Thanks again to Jim, he put a lot of effort into his presentation and we are very thankful for his support and effort.

Bill Dabney has obtained another great speaker for this month. DJ Muller's spoke to us last year, his knowledge of fishing is one of the best; you don't want to miss this month's meeting, get the inside info on some good fishing.

Last fall the board discussed honoring Basil Dubrosky with a lifetime membership to the club. In the winter we finalized the process and we were waiting for him to attend the general membership meeting. Unfortunately Basil has been under the weather and has not been able to attend our meetings, so at the last meeting we bestowed that honor on him; we are waiting for him to attend a future meeting to bestow that honor on him in person.

Basil was one of a small group of Village Harbour residents who turned Ed Cherry's concept for a fishing club into reality over 20 years ago. He had a leadership role in many of the early fishing tournaments and club functions and has made numerous fishing technique presentations at club meetings over the years. We wish Basil well and look forward to seeing him soon.

Good Fishing

Bill

## **UPCOMING ANNUAL VHFC DINNER DANCE** by Ed Wetmore

We will have our annual dinner dance on August 21<sup>st</sup>. This dinner dance has been very successful in the past and I would really like you all to attend to have a great night of GOOD food and fine music. The club does not make any money on the dinner dance but we make a great night of camaraderie among the members and their spouses.

Please attend and take your loved one out for the night. The sign-up sheet is in this issue of the newsletter.

Thanks in advance and all the best.

## **FISHING REPORT** by Jeff Barnhart

I headed out to the Lindy on Monday with good friend Bob Percopo on his 33 Hydrasport No Limits. We trolled for several hours with no luck when the rods started going off, one, two, three, four five rods at the same time. Fish hit rigged bally, spreader bars and cedar plugs. With only the two of us on board we wanted to ensure we did not get greedy and concentrated on each getting one fish on board. Despite some tangles as we had no one to clear rods, 40 minutes later and totally exhausted, we had two yellow fin on board, a 67 and an 80 pounder. The other fish either spit hooks or broke off but it was wild pandemonium for 40 minutes bringing two nice yellow fin on board.

Left to right Jeff Barnhart and Bob Percopo with the 67 and 80 pound yellow fin caught at the Lindy on July 12th

## **POKER CHIP DRAWING UPDATE** by John Henson

## **JULY SPEAKER RECAP** By Ray Williams

Jim Hutchinson, noted local Fishing Columnist, cable TV chef, & member of the VHFC spoke to club members at the July meeting. The subject of his talk, was what to do with leftover fish from your freezer. Not only did Jim provide us with 2 delicious recipes, he also prepared them for us to sample at the meeting. If you missed his talk you missed the opportunity to taste a delicious seafood soup & a very tasteful striped bass and shrimp dish!

Jim Hutchinson Speaks to our club as he prepares a delicious seafood soup for us!

Is This a Soup Kitchen or are we sampling our Guest speaker's Delicious Soup?

We even saved some for our President!

I received the email message below from Captain Harvey Yenkinson of the Vetcraft on July 22<sup>nd</sup>.

Captain Harv is a very successful Charter boat operator.

“This week I caught a 34 inch fluke, 13 pounds, the biggest of my lifetime. Photo is below. Thought you might enjoy seeing it. We continue fishing the offshore sites and are catching some nice size keepers and some seas bass mixed in. Also did some trolling for a trip and caught a mess of blues with some albacore and Mahi mixed in.”
