### **PRESIDENT'S MESSAGE** by John Borick.

The Fourth of July weekend will be over by the time you receive our July newsletter, and I hope you had a great Fourth of July weekend with family and friends. The crabbing should be picking up in the bay, and the weakfish and summer flounder will soon be filling everyone's freezer.

Don't forget to sign up for the Fluke and Weakfish Tournament set for July 29. There will be sign-up sheets available at the July meeting. The tournament is a great way to meet with other club members and make new fishing partners

Our VHFC Annual Dinner Dance is set for August 18 at the Ocean Acres Country Club, and I know you will have a great time. There will be door prizes, great food, music, dancing, and a chance to get to know your club members. The band will be playing for three hours, if you have any request for the band for your favorite songs, just ask the band to play your favorite melodies. Whatever you do don't miss this affair.

At our July meeting we will have our second series of hands-on, including tying rigs, knots, and fishing techniques for catching Sea Bass. If you have any tips on fishing over wrecks for sea bass, feel free to share your experience and knowledge with other club members.

Don't forget to sign up for the Fluke and Weakfish Tournament set for July 29. There will be sign-up sheets available at the July meeting. The tournament is a great way to meet with other club members and make new fishing partners.

The Flea Market at the June VHFC meeting was a success, and will be a yearly affair. So set aside any fishing equipment you would like to sell for next year.

Members exchanged ideas at the Fluke and Weakfish hand-on, and met with other club members. The interaction of club members meeting new member, and sharing their experience and knowledge is part of what this club is all about. We are also trying to educate all members, as to where the fish are being caught, and the proper baits and rigs to use to catch the various species. If you are new to the area, and would like to know more about the fishing in the area, feel free to call me during the weekends.

Above all make sure you find time to go crabbing and fishing with family, friends, and VHFC members.

**FISHING WITH THE GRANDKIDS** by Bill Logan

Attached are some photos and a fishing story of two of my grand children that visited with us over the 4th of July holiday. The story goes like this: Pop Pop Bill Logan and Logan's neighbor Gerry DuBeau also a VHFC club member

took two of Logan's Grand Children fishing on Friday the 30th of June. Since the children were 8 & 10 years of age and not accustomed to this style of fishing, Logan did not want to travel too far and besides they were also getting a late start in the afternoon. Gerry suggested going to what is commonly called in this area as the middle grounds since he had just recently spoken with a fellow fisherman who had fished there the day before and did quite well. Off to the middle grounds it was and after only 2 and half hours of fishing they had caught 8 or 9 Fluke with 3 being keepers. Each child caught their own keeper fish and was simply thrilled. In between fishing and showing the kids how to fish, Gerry managed to catch a few Fluke and Small Blues. Logan tried to fish in between undoing birds nests on their reels and untangling lines. Logan said he was very lucky to have a friend and neighbor like Gerry who would spend that kind of time with someone else's grandchildren. Attached you will see the photo's of Emily Singer (10) and Brother Patrick Singer (8) showing off their fish. Logan said there is nothing better than seeing the glow on their faces after catching a fish.

Emily's Fluke!

Pat's Fluke!

### FISHING GRASSY CHANNEL by Bill Dabney

We're also looking for recipes to publish.
