### **PRESIDENT'S MESSAGE** by Ron Nachmann

Finally, the inevitable coming of boating/fishing season has started. The May 17<sup>th</sup> Surf Tourney included seven anglers who participated. The only problem, it seems, is that the invitation Chairman Dave Sikorski sent to the fish didn't arrive in their beachfront mailboxes. I'd like to have been a fly on the wall when all the non-fish lies

(Oops....I mean stories) were being told over lunch at Panzones.

The club schedule is starting to fill in with some important events. First off, remember to mark the June 13<sup>th</sup> meeting on your calendar. Bill Figley will be our guest speaker and Skip Deckman, owner of The Chum Bucket, our visiting sponsor.

Ed Wetmore has again offered to do vessel safety checks, for club members, sometime after the JCAA Fluke Tournament. He will set up an appointment schedule at this meeting.

Ed has also told me that the VHFC ANNUAL DINNER DANCE has been Set for Saturday, July 19<sup>th</sup> at the Ocean Acres Country Club. Last year we

set an attendance record. I always shoot for a new record, in any endeavor, and with your participation we'll do just that. A good time will be had by all if last year's affair is any indicator.

A caution to all captains: the Coast Guard, State Police and Conservation Officers are out in force. Dave Sikorski was stopped by a CO being chauffeured around by a State Police Boat and I was boarded by the Coasties on Sunday. After fifteen minutes of show and tell they gave the R & R a clean bill of health.

On Wednesday the 21<sup>st</sup> of May, Vince Sibona and Jim Hutchinson, Sr. gave a fishing seminar at the Ocean Club as part of the Elder Med Program. Way to go fellas---you made us look good.

One future note, we will have a flea market at the July meeting. Bring any extra Fishing or boating gear then.

There's more to write about but I'll leave that for next month.

'Til the next tide,  
Ron

Thought for today: Never approach a bull from the front, a horse from the rear and a fool from any direction!

**2008 TROPHY FISH OF THE YEAR PROGRAM** by Ron Nachmann

The same seven species will continue for our 2008 Trophy Fish of the Year Program.

Blackfish
Bluefish
Fluke
Sea Bass
Striped Bass
Weakfish
Winter Flounder

The rules are simple: you have to catch a fish of the above species, take it to one of our official weigh stations to have it weighed and recorded on our official weigh-in forms. If you have weighed in the largest fish of a particular species for the calendar year 2008, then you win the FOY trophy for that species. Note: your dues have to be paid before you catch an eligible fish.

**2008 FISH OF THE MONTH AWARDS** by Ron Nachmann

The award for Weakfish will be announced at the June General Membership meeting.

**2008 FISH OF THE MONTH AND FISH OF THE YEAR AWARDS** by Ron Nachmann

May	Weakfish
June	Fluke
July	Bluefish
August	Sea Bass & Fluke
September	Sea Bass
October/November	Striped Bass & Bluefish

**LUNAR CHART** by Ed Wetmore

Lunar charts give you an estimate of feeding times based on the effects of moon and sun location. Many of us have seen similar tables in Field & Stream Magazine for years.

If you want to receive the latest table each month, simply send an email to Ed Wetmore ([ejwetmore@comcast.net](mailto:ejwetmore@comcast.net)) and state your interest in receiving the Lunar Charts.

**SMALL BLUES FISHING TRIP** by Vince Sibona

Monday May 5, I went out with Bill Dabney. Bill had heard there were small bluefish in Great Bay, that all you had to do was find the birds. Not long after we got out on Great Bay, we spotted the birds and started trolling. At first we didn't start catching fish. Bill tried different speeds until we got the right speed and we started catching the small blues. We used light tackle and trolled small metal lures. We kept following the birds and catching fish. It was a fun day. It was warm, sunny and calm. We ended up with about a dozen small blues.

**WHERE DID I PUT THAT BOOK** by Bill Dabney  
Library Materials- Please check your bookcases and the shelf in your bathroom for VHFC library books. There are still some materials that have not been returned from long-term checkout over the winter. Please see Bill Dabney during the next meeting if there are any questions.

**OPENING DAY SUCCESS** by Dave Sikorski  
Saturday May 24 was opening day for Fluke season for 2008. Basil Dubrosky and I had been planning for this day, for quite some time. Knowing that the new minimum size limit for Fluke would be 18" this year, we planned to utilize big baits to catch the bigger fluke. We also considered wind, tide and water quality to decide where and when to go. Due to reports of dirty water to the south we decided to go north hoping to find cleaner water. When we arrived in Double Creek channel, the bottom was visible in water depths up to 10 feet. We made the right decision.

Bas caught the first fluke on our second drift. As the incoming tide picked up and the wind subsided, the action heated up on our next few drifts. We utilized a variety of baits, including killies, bucktails, squid, teasers, and Gulp! Did the big bait strategy work? Absolutely. The day's total catch was 16 fluke, 3 of which were keepers (19" to 20", one weighed 3.1 lbs). All three keepers went for the big Gulp baits. Opening Day Success! Quote of the Day: "I love it when a plan comes together"! One last note, the Division of Fish and Wildlife was out there checking for violations; happy to note that we passed our inspection. Make sure you know the regulations, and accurately measure your keepers.

Opening Day Success!

**SURF TOURNAMENT REPORT** by Basil Dubrosky

The annual VHFC Surf Fishing Tournament was held on Saturday, May 17 on the Surf City Beach. The weather was sunny and crisp and 7 club members turned out for the event. We had a great time socializing and sharing fishing techniques and stories and meeting new members.

The Sand Paper photographer was on the scene to document the event and we hope to get some good publicity in the paper.

The fishing was very slow and consisted of mainly Smooth Dogfish Sharks. The Dogfish were very large and provided a great fight from the beach. We all went to Panzone's in Surf City for lunch and had some great discussions about expectations for the new fishing season.

**BLUES TRIP ON MAY 8<sup>TH</sup>** by Bill Jann

Ed Note: From Bill's Fishing Log

trip #:2 date: 5/8/08 day:

place Great Bay

:

weather & wind: Warm, sunny, light wind

temperature: air: 60 to 75°

catch: 11 blues

comments and radio talk:

We went out early and tried for Stripers at the mouth of the Mullica R., with some live herring as bait ... We got a few bites but they all must have been smallish blues ... all we ended up with were herring heads on the hook ... so we worked our way down the bay, trolling for blues with a variety of metal lures ... nothing happened for an hour or so ... we thought it might turn out to be a wasted day until we got near the clam stakes ... birds were working and diving, and as we trolled near them the rods started going down....hard and fast ... the blues weren't all that big ... 3 to 5 pounds ... but they hit hard and fought like demons ... we ended up with a couple of hours of really fun fishing ... 11 fish in the cooler and a bunch more that either got away or bit us off.

Radio Talk: ... One guy said he was into some bigger blues down by Little Beach ... no reports of Stripers being caught

Where's the Rest of the Bait?

**A SPEEDY RECOVERY** by Dave Sikorski

Don Longstreet, a long time VHFC member & Past President, is recovering in the hospital from a stroke. I know he would appreciate your prayers.

**JULY SPEAKER** by Bill Dabney

Our July speaker will be Tom Fote of JCAA. This should be a very interesting talk. Tom will tell us about the fight going on to preserve our rights as anglers. As you know, we are being squeezed more each year by special interest groups. Let's see what Tom has in mind to help us regain our rights.

**2008-2009 RENEWALS OVERDUE** by Ray Williams

I hope each of you enjoys the June issue of the Newsletter. If you forgot to renew your membership, this is the last issue you will receive until we receive your renewal. I know that each of us receives many reminders of all of the things we'll miss if we don't "act now" to the various reminders. However, think what you'll miss by not renewing. First, let's look at the economics. As a VHFC member you receive 10% off of your purchases at 12 different sponsors. If you have a boat and fish, the discounts pay for your membership. In addition, you get free tournaments, a newsletter, fishing info, and lots of information from our Speakers at the monthly meetings. Our club is also a great way to team up with other members to make those fishing trips a little less costly. Send in your renewal now!

**KNOT TYING WEBSITES** by Ron Nachmann

I have found 2 great web sites for knot tying, check them out. First one is [www.landbigfish.com/knots](http://www.landbigfish.com/knots). This site gives you the choice to view the actual tying process as an animated video. With this feature you can click and watch each step of the process as many times as you need to master any knot. The other site is [www.animatedknots.com](http://www.animatedknots.com). Fishing, boating and household knots are listed.
