### CALENDAR CHANGE FOR THE JUNE MEMBERSHIP MEETING

The new date for the June Membership Meeting is  
Friday June 7<sup>th</sup>. The date was changed due to a conflict  
with the Awards Event scheduled as part of JCAA's  
Jersey Coast Fluke Tournament. Most of the Officers and  
many Board members will be participating in the  
JCAA's tournament. The Board meeting was also  
rescheduled and that will be on Friday May 31<sup>st</sup> at 8:00  
PM.

### **PRESIDENT'S MESSAGE** by Don Longstreet

I was very impressed with the members that showed up  
at the April meeting. We are off to a good start. Let's  
keep up the good work.

We have received 2002 dues from 56 members and 14  
junior memberships as of April 30<sup>th</sup>.

I would like to see a good turn out at the Weakfish  
tournament. Please fill in your application soon so we  
can get a good head count. I wish you all the best of  
luck. And don't forget the party at Maurice Piergrossi  
house after a good day of fishing.

I am sorry but due to insurance rates we can no longer  
have fleet exercises where the Chairman leads the boats  
to a fishing grounds. Don't worry, we will still have our

fishing tournaments. We will explain more to you at the  
monthly meeting.

Any fishermen who doesn't have a boat should contact  
me and I will try to find somebody in the club you could  
hook up with to fish.

### 4<sup>TH</sup> ANNUAL VHFC WEAKFISH TOURNAMENT

We hope you can participate in this weakfishing event  
on Saturday June 1, 2002. The past ones were great. A  
flier including a sign-up form is included with this  
newsletter.

### **FISH OF THE MONTH AWARD** by George Fruh

The following 2 anglers are tied for the March-April  
Fish of the Month Award:

Winter Flounder (4/13) 1 lb. 8 oz. Gerald Kelleher  
Winter Flounder (4/13) 1 lb. 8 oz. Shane Barrett

### **FISH OF THE YEAR AWARDS** by George Fruh

The following anglers are in the lead for 2002:

Sea Bass (4/21) 5 lb. 4 oz. Bob Gers  
Winter Flounder (4/13) 1 lb. 8 oz. Gerald Kelleher  
Winter Flounder (4/13) 1 lb. 8 oz. Shane Barrett

### **SOUTH BAY DAY JUNE 22<sup>ND</sup> & 23<sup>RD</sup>**

This will be the third year we will be having a two day  
long South Bay Day fishing event on the 22<sup>nd</sup> and 23<sup>rd</sup> of  
June.

In 2000, the first year we held this event, it was great.

In the second year, we got stomped on by gusty winds  
and a strong chop. It was a test but many of us enjoyed it  
none the less.

This year it will be a two-day fishing event.

A circular/sign-up sheet for this event will be handed  
out at the May meeting. That circular/sign-up sheet plus  
details, including the rules for the event will be included  
in your June newsletter.

South Bay Day sign-ups for boats will require:  
Captain's name, phone number, boat name, # in crew,  
(insurance?)

Sign-ups for members needing a "ride" will require:  
Name, membership number and phone number.

## PROPOSED CHANGE TO THE BYLAWS

The Village Harbour Fishing Club, Inc. Board of Directors has been working to improve our Junior Angler program. In that context, it has become evident that the membership-related section of the Bylaws (Article IX) needed revision

The proposed change to "Article IX: Membership" of the Village Harbour Fishing Club, Inc. Bylaws will be mailed to you during May 2002.

Please take a few moments and read it. We will call upon the Members in attendance for a vote on this change at the June 7, 2002 General Membership Meeting. If approved by a 2/3 vote of the Members attending, the proposed change will be effective on the date of the approval.

## MORE MEMBER DISCOUNTS

THE BOAT SHOPS, at 756 Bay Ave in Manahawkin, has generously agreed to give discounts to current card holding members of Village Harbour Fishing Club, Inc. The discount applies to their regular low price products except for electronics, sale items and fair traded items. The discounts are similar to the other local stores that are providing discounts to members.

Welcome aboard and a sincere thanks to THE BOAT SHOPS 597-3536.  
(Editor's note) As in other stores simply show your card and do not be loud about your expected discount.

## UPDATED 2002 VHFC CALENDAR

An updated calendar is included with this newsletter. Two changes were made: the June Membership Meeting is now June 7<sup>th</sup> and, happily, Bill Figley has agreed to be the Guest Speaker on August 9<sup>th</sup>; telling us all the latest scoop on the NJ Artificial Reef Program.

## 2002 FISHING STORY by Bill Logan

I want to share this story with the club members. I am pretty happy about this fishing tale since I don't have the luxury of fishing any time I feel and am only being able to fish on some weekends.

My fishing buddy and non-member (I am working on him to join) Gerry DuBeau AKA (Big Wrench), who's Grady is laid up for a while, went fishing with me this past Sunday (April 21<sup>st</sup>) in my boat "Reel Impression". I wanted to head out towards Little Egg Inlet to see if any blues were around but Gerry talked me into drifting from the ICW marker at Beach Haven Yacht Club south to Holgate. The drift worked well due to the outgoing tide and the wind direction.

Our first drift was a zero. On the second drift, Gerry hit into a 23" striper, which we released. On the 3rd drift, Gerry hit into another 23" striper, which Gerry again kissed and returned to the water.

I wish you all could have seen the look on Gerry's face. He has lived down here for about 17 years and only retired last year. This was the first time he has ever caught a striper. I explained to him that he was catching

stripers because he was fishing with a member of The Village Harbour Fishing Club, Inc. and the local fish have high regards for it's members.

Oh, by the way, don't ask what I caught.

## STORM CLOUDS LURKING OVER YOUR WEAKFISH FISHERY

Atlantic States Marine Fishery Commission (ASMFC) has somehow deemed it appropriate to severely restrict the recreational weakfish fishery. While doing this, they have decided to perhaps address the commercial fishery at a later date. This, of course, is unacceptable! ASMFC admits by their own studies the weakfish and breeding weakfish population is in good condition and improving yearly since the adoption of Amendment 3 some five or so years ago. They apparently want to create a trophy fishery (fish over 12 years of age) and want to do so by dropping the daily recreational creel limit to 6 fish at 16 inches. Of course, they do not mention this only creates more large fish to be caught in gill nets. This is an open-ended fishery (no quotas for recreational or commercial), and going down the road of not addressing the commercial side of the fishery will only give the commercial fishery a greater proportion of the catch once quotas are set (as they will sometime in the future, further squeezing the recreational fisherman out of the fishery. It happened in tuna, tog, sea bass, fluke, whiting and you name it.

At the present, these seem to be proposals that will go nowhere, but vigilance is the key word at this time. You all may be called upon to become active on this issue within the year. Given the trend of fishery management, soon the only fish that will be available to most bay and shore fishermen will be the snapper blue, and don't count on that.

The public information document for Amendment 4 (PID) [www.asmfc.org](http://www.asmfc.org), and the JCAA rebuttal can be found at [www.jcaa.org/JCNL0205/0205pres.htm](http://www.jcaa.org/JCNL0205/0205pres.htm)

## RECIPE OF THE MONTH

This recipe should work well with many species.  
"Bass with Avocado Sauce"

|                             |                        |
|-----------------------------|------------------------|
| 1 small, ripe avocado       | 1/4 cup skim milk      |
| 1 tbs. lime juice           | 1 clove garlic, minced |
| 1 dash hot sauce            |                        |
| 2 tbs. lemon juice          | 1 tsp. Dijon mustard   |
| 1 tbs. low sodium soy sauce |                        |
| 1 tsp. lemon rind, grated   | 16 oz. Bass fillets    |
| 1/3 cup dry bread crumbs    | vegetable oil          |
| cooking spray               |                        |

Combine the avocado, milk, lime juice, garlic and hot sauce in a blender, cover and process until smooth. Set this avocado sauce aside.

Combine the lemon juice, mustard, soy sauce and lemon rinds and place in a shallow dish.

Dip the fillets in the lemon-based mixture, and dredge in bread crumbs.

Place on a baking sheet coated with cooking spray.

Bake at 450°F for 7 minutes, turn fillets over and bake an additional 7 minutes or until fish flakes easily when tested with a fork.

Transfer fillets to a serving platter, and top with the avocado sauce.

**NOTE:** If you have a favorite recipe to share, send it to Dick Vesper c/o the club's address (see on the first page).
