PRESIDENT’S MESSAGE by Ray Williams

We had 37 people at our August meeting. Our guest speaker, Bill Haluska, gave a very interesting talk on Striper Fishing. The Second Annual Dinner Dance was a great success. The spike Weakfish never showed up in the bay but Crabbing was excellent & the latter half of the month was phenomenal for Fluke fishing in the ocean. We will have Jim Shockley speak to us at the September meeting on winterizing your boat. I hope we can have a large turnout for this meeting as Jim is one of the best marine mechanics in our area & all of us can learn something from him.

THE 2003 MEMBERSHIP REPORT by John Nonnenmacher

The 2003 Membership totals 97 with 90 Members & 7 Junior Members.

TREASURER’S REPORT by Ken Hansen

Our balance will be reported at the September meeting.
(ED. Note: The club’s Money Market Account has had no deposit or withdrawal in the past year).

AUGUST DINNER DANCE REPORT

Twenty Six members & spouses attended our Second Annual Dinner Dance at Ocean Acres Country Club on Friday August 15th. We had a section of the dining room reserved for our group. There were 21 door prizes, including Gift Certificates for Fisherman’s Headquarters, The Boat

Shop, & McDonald’s. Ocean Beach Marina donated a nice first aid kit. We would like to thank these businesses for their generous gifts. Also, thanks to Jim McGrath, John Nonnenmacher & Steve Cook for arranging the dinner and door prizes.

2003 FISH OF THE MONTH by George Fruh

Congratulations to George West, a Junior Angler, who caught a 9lbs. 2 oz. Fluke outside Barnegat Inlet on August 30th.

The Fish of the Month for September is Sea Bass.

2003 REEF TOURNAMENT by Dave Sikorski

This year we had a decent weather day for our reef tournament. It was a little cloudy in the morning but that gave way to bright sunshine. Although we never saw the 20 knot winds NOAA had predicted, the seas were a little choppy in the morning, but they calmed down as the day went on.

A total of 30 people signed up for the tournament this year, and even though the fishing was on the slow side (after a cold front passed through overnight), we had several nice weigh ins, and a close race with most fish within a pound or two of each other (in some cases only 1 oz difference!).

Fluke		Sea Bass	
Bill Dabney	4 lb 14 oz	Dave Sikorski	2 lb 6 oz
Bill Farris	4 lb 13 oz	John Lyszczarz	2 lb 4 oz
John Barnhart	4 lb 6 oz	Ed Wetmore	2 lb 3 oz
Steve Cook	3 lb 15 oz	Dave Sikorski	1 lb 10 oz
John Lyszczarz	3 lb 11 oz		
Dave Sikorski	3 lb 4 oz		
Bill Logan	2 lb		

The crew of the “New Beginnings” took top money honors with Captain Ed Wetmore’s 3rd place Sea Bass and First Mate Bill Dabney’s 1st place Fluke. Unfortunately we did not hear too much club discussion on channel 10 as planned, but we hope everyone had a good time out there nonetheless.

WE HAVE A NEW SOURCE OF DISCOUNTS FOR CLUB MEMBERS by Ray Williams

Ocean Beach Marina has opened up on Route 72 in Manahawkin. In addition to being a dealer for Monterey, Wellcraft & Contender boats, there is a boat store with all types of Boating supplies. Ocean Beach Marina will offer a discount on winterizing supplies to VHFC members this fall & plans to carry bulk oil for members next spring.

NOTABLE AUGUST WEIGH INS by George Fruh

In August we had some weigh ins that I would like to mention to show that our Junior Members & Co-members are catching some nice fish. John West, a Junior caught a 3 lbs. 1oz. Fluke the same day his brother, George, caught his 9 lbs. plus doormat. T.J. Miller, also a Junior, caught a 7 lbs. 6 oz. Fluke off the Red Tower on 8/16 and Judy Mueller; a Co-member caught a 3 lbs. Sea Bass on 8/15. A Member, John Lyszczarz, caught a 8 lbs. 2 oz. Doormat on 8/16. This was the biggest Fluke till the 30th.

AUGUST GUEST SPEAKER REVIEW BY Ray Williams

Bill Haluska, a Charter Boat Captain, spoke to our Membership at the August Meeting on Striper fishing in the Bay. Bill does most of his fishing near Barnegat Light, an area that I am not well acquainted with. Bill has some very interesting thoughts about catching Stripers. Several of our members have been on his charters & have had excellent results using his techniques. John Kerstanski introduced Bill to me on May 30th. John, his brother-in-law, Bill Dabney & myself went on a trip with him. We limited out on Stripers. I hope all the members enjoyed his talk & took good notes as it seems he really does know his subject well. Below is a picture from that trip. By the way, I think we should all thank Bill Dabney for setting up such a great group of speakers this year!

SURF TOURNAMENT by Steve Cook

This is a 2 day event again this year; October 11th & 12th. Please sign up in advance so you can be a participant. You can fish either or both days. However, only one fish of each species (striper and bluefish) can be entered for prize money for the entire tournament.

Steve Cook (978-8416) is the VHFC Surf Tournament Chairman. Participants should sign up in advance with Steve. If you are in a hurry and can't find Steve, he is being assisted by John Nonnenmacher(597-5383).

The primary location for the event will be in the vicinity of the 5th Street ramp in Surf City. This area has proven over the years to be a decent area for surf fishing.

Bring your own thermos of coffee.

All participants in this Tournament are invited to a luncheon on Sunday at Subbogies Food Depot, 512 Long Beach Blvd. in Surf City between 6th & 7th Streets. Each member, co-member & junior member participating in the luncheon will be charged \$5.00 at that time. Others can attend Dutch.

The owner of Subbogies Food Depot has agreed that we can use their restaurant's rest room during the event.

Schedule:

07:00 AM to 12:30 PM Surf fishing Saturday
07:00A M to 12:00 Noon Surf Fishing Sunday
1:00 PM Weigh-ins closed.
1:00 PM: Luncheon at Subbogies Food Depot (Sun. only)

Prizes will be awarded for the heaviest fish caught at the designated area for the two day event from the shore of Long Beach Island:

Striper: \$50.00 Bluefish: \$50.00

Fish weight & length must be measured at the 5th Street ramp in order to be eligible for a tournament prize.

George Fruh, Steve Cook & John Nonnenmacher will be on site to measure participant's keeper-sized surf catches. Bluefish must be at least 2 lbs. in weight to qualify for a prize. Regs say fishermen can keep up to two stripers a day: one 28 inches or longer & one at least 24 inches but less than 28 inches. Members of the Bonus Program may keep a 3rd fish.

The decision to participate in any aspect of this event rests solely with each participant. Formal participation includes a commitment to hold harmless the VHFC & its officers & directors for any damage or injury which may result from participation in this event.

During our club's 10th. October Membership Meeting, we be reviewing what you should bring to surf fish, answering your questions & filling in any last minute details. An entry form for the tournament is in this Newsletter.

SEPTEMBER BOATING TIP by Ray Williams

I always tied my boat 6 ways to the dock including the use of mooring whips. However, I didn't allow for the possibility of the boat being trapped under the dock during an abnormally low tide coupled with a Jet Ski rider coming thru the lagoon at full throttle. This combination trapped the boat under the dock. Now, my dock has pilings that go to the bottom of the lagoon to prevent the boat from being forced under the dock. You might want to check out your mooring arrangements to prevent this from happening to you!
