### PRESIDENT'S MESSAGE by John Henson

It looks like we are in the Tropical storm passageway just in time for the end of fluke season. The offshore passing of Hurricane Bill last weekend and tropical storm Danny on this weekend not only kept people from heading to the canyons but also made it sloppy enough to keep most inshore fishermen restricted to the bay. Hopefully the next few days will be calm so the fluke fleet can give it one more try to "fill the freezer" before the season closes on the 4th.

I had the pleasure, with my lovely wife, of attending the VHFC Dinner Dance this past August 22nd at the Ocean Acres Golf Club. It was nice to see VHFC members and their wives enjoying a nice casual social event. The food was superb and the music provided by the DJ was very entertaining. There was dancing, door prizes, and flowers for all the ladies. Everyone had a good time and it was a great night out. Thanks go out to Ed Wetmore and Bill Logan for all of the work they put into this VHFC event.

I would like to congratulate the winners of the annual VHFC Fluke and Sea Bass tournament held this past

August 8th. Rosemary Figley was the winner in the Sea Bass category while Rick Peters took the honors in the Fluke division. The tournament had a good turn out this year with 25 entries! I would like to thank Bill and Arleen Logan for their hard work on the event and for opening up their home to the VHFC members for an after tournament get together. Bill and Arleen said everyone had a good time and that they were especially happy to see the camaraderie among those members that participated.

Bill Dabney has set us up, as Bill always does, with another great guest speaker for the Sept meeting. Our own VHFC member Jim Hutchinson, along with his son Jim Jr. will be speaking on surf fishing for the fall season. I'm sure it will be a very informative presentation as these two accomplished fishermen are very knowledgeable in our specific local waters.

Our VHFC monthly poker chip drawing has been unclaimed for the past couple of months and will be \$30 for the Sept Drawing. It will also include a \$25 dollar gift certificate to the Chum Bucket courtesy of the August guest speaker Capt. Fran Verdi. Capt. Fran generously donated this gift and specifically asked that it be included in the monthly drawing. Just a reminder, all you have to do to win is be at the meeting when your name is called, if the member is not present then the prize will keep building for the next month. Good luck!!!

I don't know about the rest of you but I certainly am impressed with the new VHFC T-shirts and hats that were debuted at the August meeting!!! I am very proud to display my club affiliation and I'm sure other members will feel the same way. The shirts are available in three different colors and many different sizes. There are also three different hats available. Please see Vince Sibona for more details at the Sept. meeting. By now you have probably heard the news story about the Big Mohawk, a "Head" boat that sails out of Belmar. It seems that the Captain and the mates, along with some customers, were involved with the illegal taking of undersized fluke and using them for bait. They now face thousands of dollars in fines and penalties for a variety of marine fish violations. It seems that some undercover NJ conservation officers were on the boat and observed the violations first hand. You can find all the details on the operation, including the identities of the people involved and the penalties on the state's web site at www.njfishandwildlife.com/news/2009/marinelaw8-09.htm.

I have heard some good reports of kingfish and even some blowfish being caught recently. They have been in both the Barnegat and Great bay areas. I have also had reports of some croakers being caught not too far inside Beach Haven inlet along with some small bluefish. The crabbing reports have been good lately with all of the usual spots producing, and I have even had some reports of weakfish being taken at the mouth of the Mullica River. The local reports of snappers being abundant in the lagoons and shallows of the bay can provide exciting light tackle fishing for both the children and grandchildren so get them out and take advantage while it lasts!

My favorite fishing season is just around the corner, the fall surf-fishing season. Are you ready? I know I am. The bays and lagoons are loaded with bait, peanut bunker to be specific, and it is just a matter of time until they make their way out front and down the beach. I haven't had any solid reports of any mullet yet but they should be appearing any day now. I also haven't heard of any spot, or Lafayette, as they are known down south, being netted vet. If you have never tried live lining the surf with these baits you are missing out on some exciting fishing! We will be able to drive on the beaches again the third weekend in Sept. and I am anticipating the opportunities this presents both for fishing and cruising the beach in search of bait. Hopefully with some Northwest wind and the coming moon cycles the bait will begin its fall migration, I can hardly wait....

See you at the scales,

John H

#### 2009 VHFC DINNER DANCE BY Bill Logan

Bill Logan and Ed Wetmore would like to thank all that attended the clubs annual dinner dance at the Ocean Acres County Club on Saturday August the 22<sup>nd</sup>; everyone had a good time. The meal was outstanding, Ocean Acres again did a great job, and the music by the DJ Jim Brown was just the right kind of music for the group. It must have been because everyone was up dancing and singing along with the music, even the folks who don't care to dance where tapping their feet right along with the music. We also want to thank the people who helped make this event enjoyable. Ray and Flo Williams donated the center pieces for the tables plus a \$50.00 gift certificate to Callaway's Restaurant and Callaway's Restaurant also donated a \$50.00 gift certificate. Our other donators are Chip Deckman from the Chum Bucket Bait & Tackle a very nice gift certificate and Chip & his wife also attended the dinner, Causeway Marine, Roxies Liquor, The Boat Shops who are always very generous, BY-RITE Liquors. Horizon Diner. Don't forget when vou patronize these businesses to mention that you are a member of the V.H.F.C and thank them for their support.

Thank you to Kathy & John Nonnenmacher for getting the ladies flowers, Steve Cook & Bill Dabney for helping to obtain door prizes. And last but not lest Lorraine Wetmore and Arleen Logan for helping to set up and give out the door prizes.

My wife & I are midway through a six week trip across the United States. We have seen some awesome sights along the way. Yellowstone is of course, beautiful. We have been to a lot of National Parks & have traveled the states of NJ, Pa, Oh, Ind, IL, Wis, Minn, SD, ND, Mont, Wy, Id, & WA so far. Once we hit Oregon, we will have done all of the lower 48 over the last 4 years. I highly recommend seeing the USA. The people and the views are really something to see!
